EXHIBIT B
Economic Development Plan

The purpose for the creation of the Kirkersville Union Hebron Joint Economic Development District No. 1 (the "JEDD") by the Village of Kirkersville, Ohio ("Kirkersville"), Union Township (Licking County), Ohio ("Union"), and the Village of Hebron, Ohio ("Hebron") is to provide tools, primarily funds, to facilitate economic development to create or preserve jobs and employment opportunities and to improve the economic welfare of the people of the State, the County of Licking, Kirkersville, Union, Hebron, and the JEDD.

The Joint Economic Development District Contract (the "JEDD Contract") by and between Hebron, Union, and Kirkersville creating the JEDD empowers the Board of Directors of the JEDD (the "JEDD Board") to impose a tax on the income of the persons working within the JEDD and on the net profits of the businesses located on parcels within the JEDD. The JEDD Contract anticipates that the JEDD Board will enact the tax at the initial meeting of the JEDD Board and that the tax will be effective immediately after the JEDD Board's enactment thereof at the rate of one and one-half percent (1.5%). The rate of such tax shall remain the same unless increased pursuant to the JEDD Contract. The JEDD Board shall enter into a Tax Agreement with Hebron to administer the enforcement, collection, and distribution of the tax, in accordance with the JEDD Contract.

The JEDD Contract provides that the proceeds from the tax will be distributed to the JEDD Board, Kirkersville, Union, Hebron, and the Southwest Licking Community Water and Sewer District. Kirkersville, to the extent they so determine and in their sole discretion, and to the extent they are permitted by law, shall use such proceeds to provide the services, facilities and improvements set forth below in Items 1 through 5, and in accordance with the JEDD Contract. The JEDD Board shall use such proceeds in accordance with the JEDD Contract, and, to the extent permitted by law, provide the following services, facilities, and improvements:

1. The facilitation of new economic development in the JEDD and the surrounding areas by entering into reimbursement, compensation, and other contracts and by providing financial incentives to the private sector and public sector. Such incentives include, but are not limited to, the implementation of Tax Increment Financing (TIF) and other tax incentive opportunities, as well as, grants, low interest loans, and forgivable loans.
2. The construction of new public infrastructure, including, but not limited to, streets, sidewalks and landscaping, and other public infrastructure improvements.
3. The enhancement of public services in the JEDD and the surrounding areas, such as law enforcement, fire protection and emergency medical services (EMS), and maintenance of public infrastructure and services to foster economic development, including funding for local institutions of education, and other Kirkersville services, including trash hauling services, roadway maintenance, transportation services, and other public services. The Hebron, Kirkersville, and Union shall retain all mutual aid agreements in place on the date of this JEDD Contract, if any, until expiration, or beyond if the parties thereafter agree. The level of fire protection, EMS and law enforcement service within the JEDD shall be the same as within the same area of Kirkersville had the JEDD not be in existence. If Southwest Licking Community Water and Sewer District provides potable water and sanitary sewer services, if any, to current customers within the JEDD, they shall continue

to provide such services, and shall extend such services to any new customers at their discretion. It is anticipated that all qualified customers located within the JEDD shall be able to connect to and receive potable water and sanitary sewer service from the Southwest Licking Community Water and Sewer District.

4. Assist the JEDD with planning, promotion and related activities to facilitate economic development in the JEDD and surrounding areas, including, but not limited to, any and all purposes set forth in Kirkersville's Comprehensive Plan, as well as other long-term planning goals established by Kirkersville. The Union and/or Kirkersville may provide secretarial services and other staffing to the JEDD as each entity so determines on their sole and independent discretion. Kirkersville will cooperate with the JEDD in obtaining financial assistance, both public and private, for economic development projects. Kirkersville shall provide zoning services for the JEDD. Kirkersville will cooperate with the JEDD to provide professional land use planning.
5. Any other purpose permitted by law at the time of such expenditure.

The timing of the provision of such services, facilities and improvements is dependent upon the amount of revenue generated by the tax imposed by the JEDD Board.

EXHIBIT C

- Acquisition of real estate or interests in real estate (including easements) (a) necessary to accomplish any of the foregoing Public Infrastructure Improvements or (b) in aid of industry, commerce, distribution or research, including, but not limited to, any acquisition of land in connection with Kirkersville's taking title to any Public Infrastructure Improvements.

- Any other public infrastructure improvements constructed or maintained by or on behalf of Kirkersville that are determined by Kirkersville to directly benefit the Property.
