**VILLAGE OF KIRKERSVILLE, OHIO
CREDIT CARD POLICY
RESOLUTION 01-2026 EXHIBIT A**

I. Purpose

The purpose of this policy is to ensure that Village credit card accounts, including accounts for bank credit cards, gasoline credit cards, and retail credit cards, are closely monitored in order to provide for maximum security of Village funds and to safeguard against misuse and/or losses of public funds for which the Village may be held liable. This policy is meant to comply with the mandates of 2018 H.B. 312, § 1, enacted by the 132nd General Assembly and made applicable to the Village as codified by O.R.C. § 717.31. All Village-issued credit cards are to be used solely for the purpose of conducting Village business and are not to be used in any event for personal expenses.

II. Authorized Personnel

Only authorized personnel shall be permitted to use Village credit cards. The Fiscal Officer shall retain general possession and control of all Village credit card accounts and presentation instruments, including cards and checks, related to the accounts.

Each of the following Village officers shall be issued and authorized to use Village credit cards, as administered by the Fiscal Officer:

Chief of Police
Mayor
Fiscal Officer
Mayor's Court Clerk
Water/Sewer Plant Operator

All references to "employee(s)" and "cardholder(s)" in this policy also include the aforementioned Village officers.

Other Village employees not named above may be issued Village credit cards upon request to the Fiscal Officer, based on recommendation from the Chief of Police and/or Mayor. Before receiving a Village credit card, authorized employees must complete an Employee Credit Card Account Agreement, attached to this policy and incorporated herein by reference, which will be filed and maintained in the employee's personnel file.

III. Acquisition, Use, and Management of Credit Card Accounts

The Fiscal Officer shall be responsible for the acquisition, use, and management of all new and existing Village credit card accounts and associated presentation instruments, including cards and checks. Any new and/or additional credit card accounts to be opened in the Village's name for conducting Village business must be submitted by the Fiscal Officer to Council for approval. New credit card accounts will require an amendment to Section XI of this policy (identifying all Village credit cards and maximum limits).

IV. Credit Card Issuance, Use, and Management

Credit cards may be requested for prospective cardholders by written request to the Fiscal Officer via the attached Employee Credit Card Account Agreement. Cards will be issued in the name of the Village.

Consideration should be given to the frequency of usage (out-of-town travel, online purchases, etc.) as well as average monthly spending requirements when determining if an employee should be issued a Village credit card.

Employees are responsible for maintaining physical control over the card they are issued while the card is in use. Credit cards not being used for any extended period will be secured by the Fiscal Officer in a safe or locked cash box in a secure drawer.

The Fiscal Officer shall maintain a written list of all officials and employees permitted to use Village credit cards, along with a master list of credit cards (and the names that appear on each card, if applicable). The Fiscal Officer shall maintain both lists on file and keep them current.

The Fiscal Officer has the right to refuse to authorize the use of a credit card. In the case of a refusal, the employee's Department Head may request Council's authorization.

V. Authorized Credit Card Use and Expenses

The Village recognizes the efficiency and convenience afforded the day-to-day operation of the Village through the use of credit cards under the supervision of the Fiscal Officer. However, credit cards shall not be used to circumvent the general purchasing procedures required by Ohio law and the policies of the Village. Therefore, with the exception of gasoline credit cards, and unless otherwise approved by Council, all purchases made with a Village credit card shall be preceded by an approved purchase order. Whenever a vendor will accept a Village purchase order as payment, a purchase order should be used in lieu of a Village credit card.

Authorized employees must:

- a. Verify that an approved purchase order has been created for the proposed transaction prior to using the credit card. If an approved purchase order does not currently exist, Council approval is required.
- b. Limit use of Village credit cards exclusively to purchases necessary for conducting Village business. Examples of acceptable uses include, but are not limited to, business travel, office supplies purchases, merchandise purchases, and recurring software renewals and subscriptions. Personal purchases of any type are prohibited.

- c. Immediately notify the Fiscal Officer of any unintended personal purchases made on a Village credit card, and the employee shall immediately reimburse the Village for such charges.
- d. Make every effort to ensure that Village credit card purchases do not include sales tax. Tax-exempt certificates are available upon request from the Fiscal Officer.
- e. Immediately notify the Village Fiscal Officer if a Village credit card was, or might have been, incorrectly charged Ohio sales tax at the point of sale.
 - 1) If the Village Fiscal Officer is notified of and/or determines that a Village credit card has been incorrectly charged Ohio sales tax, the Fiscal Officer shall immediately file a Sales/Use Tax Application for Refund ("STAR") form with the Ohio Department of Taxation, via mail or electronic submission, to ensure reimbursement of public funds. This form can be found on the Ohio Department of Taxation website.

Due to the anticipated expense of necessary equipment and supplies within their respective departments, the Chief of Police, Mayor's Court Clerk, and Water/Sewer Plant operator are authorized to utilize Village credit cards in their possession for single purchases up to a spending limit of One Thousand Dollars and No Cents (\$1,000.00). Purchases exceeding this limit will require prior approval of the Fiscal Officer.

For all other employees authorized to utilize Village credit cards under this policy, no single credit card purchase shall exceed a spending limit of One Hundred Dollars and No Cents (\$100.00) without prior approval of the Fiscal Officer.

Any rewards, rebates or awards earned through use of the Village credit card shall be immediately relinquished to the Village.

VI. Authorized Gasoline Credit Card Use and Expenses

Gasoline credit cards are distributed to, and used by, the Village Police Department and the Village street maintenance/snow plowing employees, as administered by the Fiscal Officer. Gasoline credit cards shall only be used by Village Police Department and/or street maintenance/snow plowing employees conducting business on behalf of the Village and which relate to the use of a Village Police Department vehicle and/or Village street maintenance/snow plowing vehicle. Purchases made with gasoline credit cards do not need to be preceded by an approved purchase order. Use of gasoline credit cards shall in all other respects adhere to all procedures and requirements described in this policy.

VII. Receipts

Detailed itemized receipts, issued by email and/or electronic register, for all purchases on the Village credit card must be retained, initialed or signed by the charging individual, and submitted to the Fiscal Officer by the end of the next business day, unless more time is

allowed by the Fiscal Officer. Receipts should show the items or services purchased, date of purchase, and the amount charged. Failure to submit receipts and appropriate documentation may result in the charges being deemed unsubstantiated or unauthorized purchases. Reimbursement to the Village for any outstanding unauthorized charges may be recovered through payroll deduction.

In the event that an employee is unable to obtain a receipt after performing due care, or misplaces or loses a receipt, a Missing Receipt Form must be completed, signed by the employee's departmental supervisor and Village Administrator, and submitted to the Fiscal Officer for review. Such requests will be reviewed on a case-by-case basis and evaluated depending upon the item or services purchased. A copy of the Missing Receipt Form can be obtained from the Fiscal Officer.

VIII. Returns

In the event that an item or service purchased with a Village credit card must be returned or exchanged for any reason, the cardholder is responsible for facilitating the return/exchange and requesting a credit to the account. All documentation regarding the return shall be submitted to the Fiscal Officer for verification of the credit by the end of the next business day, unless more time is allowed by the Fiscal Officer.

Cardholders may not receive cash back or in-store credits for any refunds or exchanges. Such amounts must be credited to the Village credit card account. If a supplier mistakenly issues a refund check, the refund check must be immediately submitted to the Fiscal Officer.

IX. Credit Card Reissuance and Cancellation

Reissuance of Village credit cards to any authorized employee(s), other than an employee previously found to have violated this policy, shall recommence under the same procedures and requirements described in this policy. Failure to comply with this policy may result in the employee having their Village credit card cancelled. The Fiscal Officer shall be responsible for requesting and facilitating any necessary cancellation of a Village credit card account and must notify Council of the same. Employees must surrender all Village credit cards within their possession upon separation of employment from the Village, or at any time when requested by the Fiscal Officer.

X. Reporting Lost or Stolen Credit Cards

In the event that a cardholder suspects the loss, theft, damage to, or unauthorized use of a Village credit card, the cardholder shall immediately notify the Fiscal Officer. In turn, the Fiscal Officer shall immediately take the necessary steps to notify the issuing credit card agency, merchant, or financial institution in order to cancel and replace the credit card. Council shall be notified as soon as practicable.

XI. Maximum Credit Limits

The number of credit cards issued to the Village and its employees shall be limited to the following:

a. Credit cards

- i. Two (2) Lowes credit cards will be available for use by authorized Village employees with a maximum credit limit of \$5,000.00.
- ii. One (1) Park National Bank Visa credit card will be assigned to the Fiscal Officer with a maximum credit limit of \$5,000.00.
- iii. One (1) Park National Bank Visa credit card will be assigned to the Mayor's Court Clerk with a maximum credit limit of \$5,000.00.

b. Gasoline credit cards

- i. Four (4) gasoline credit cards will be available for use by authorized Village employees, each card having a maximum credit limit of \$1,000.00.

Maximum credit limit amounts shall only be adjusted by the Fiscal Officer upon prior approval by Council.

XII. Misuse of Credit Cards

Any use of Village credit cards for personal purchases is strictly prohibited and unauthorized. Such use may result in the employee losing all privileges to use Village credit cards, reimbursement paid to the Village, disciplinary action under applicable Village policy, and criminal prosecution under O.R.C. § 2913.21.

Cash advances on Village credit cards are not allowed under any circumstances. Village credit cards are not transferable. Employees are not permitted to lend their Village credit card to another employee or any other person to facilitate any transaction.

In addition, the following purchases on Village credit cards are strictly prohibited:

- a. Alcoholic beverages or tobacco products;
- b. Capital equipment and upgrades over \$5,000.00;
- c. Construction, renovation, and/or installation services;
- d. Controlled substances;
- e. Items or services on term contracts (unless otherwise authorized by the Fiscal Officer and Council);
- f. Maintenance agreements;
- g. Personal items or loans;
- h. Donations;

- i. Rentals (other than short-term automobile rentals); and,
- j. Any other items deemed inconsistent with Village policy or the Ohio Revised Code.

All actions or omissions by a Village employee resulting in a failure to comply with any provision of this policy shall qualify as misuse of a Village credit card account and will be subject to appropriate action.

XIII. Reimbursement for Purchases

In the event a cardholder uses a personal credit card or checking account to make an authorized Village business purchase in accordance with this policy, the cardholder shall be responsible for paying any sales tax charged by the merchant at the point of sale. The cardholder is prohibited from using the Village's tax-exempt certificate for such transactions, as prohibited by Ohio law.

A cardholder who makes a qualifying purchase under these conditions is eligible for reimbursement by the Village. The employee must submit the transaction receipt to the Fiscal Officer to obtain reimbursement. Upon verification, the Fiscal Officer shall reimburse the employee from Village funds for any legitimate business-related expense. Reimbursement expenses shall not exceed \$500.00. If the total cost of a purchase, including sales tax, exceeds this threshold, the purchase must be made using the Village's credit card and tax-exempt status.

Employee Credit Card Account Agreement

I, the undersigned, accept the terms of this agreement and have read and understand the terms of the Village of Kirkersville Credit Card Policy.

I acknowledge that any violation of these terms shall be immediate grounds for revocation of the credit card assigned to me and may subject me to appropriate disciplinary action, up to and including termination.

I acknowledge the Village credit card is to be used only for approved Village business, and agree to submit the appropriate documentation in accordance with the Village's credit card policy.

I acknowledge I will not use the Village credit card or other Village lines of credit for personal expenses, and agree to be personally liable and responsible for all personal expenses incurred by me on the Village credit card. In addition, I agree to reimburse the Village for all personal expenses charged by me to the Village credit card.
